

Little Doves Christian Pre-school Mission

Little Doves aims to provide a first-class pre-school service, in a safe and caring environment, where the children's welfare is treated as the highest priority.

Aims of Little Doves Christian Pre-school

The main aims of Little Doves Christian Pre-School are:

- To provide quality child care in a welcoming, caring, calm, child orientated environment where the curriculum is based around promoting the Early Years Foundation Stage Themes set by the Department for Education.
- To explore topic related projects which aim to increase the children's awareness and make learning an enjoyable experience.
- To evaluate, through observations and record keeping, the needs of each individual child and the group as a whole.
- To explore and investigate, through planned topics, festivals and celebrations of other faiths, cultures and religions whilst emphasising the pre-school's Christian principles.
- To provide quality preparation for and transition to Infant school.
- To ensure that the needs of the children and parents/carers are met.
- To consolidate and expand the funding base in order to secure the continuing viability of the pre-school facility.
- To maximise opportunities for collaboration and partnerships with other bodies e.g. Infant schools receiving the children after Little Doves Christian Pre-School.
- To recruit and maintain appropriately trained and motivated staff.
- To be of value to the community and provide links with other activities at St Paul's Church and the benefice.
