# Funded Early Education Entitlement for two-year-olds

## Parent / carer agreement form: Spring Term 2022/2023

You have received approval for two-year-old funding for your child. This means you can take up to 15 hours of funded early years provision per week. It's known as your child's funded early education entitlement (FEEE). You may only use one provider.

You need to fill in this form to tell us how you wish to take up this funding. We will use it to show that your child is accessing the funded entitlement with this provider. We will also use evidence of your child's identity and date of birth. This is because the provider will claim for the funded hours from Essex County Council.

When you sign this form, you will enter into a contract with the provider. **This means that you can't change your child's funded hours after Headcount Day on 26<sup>th</sup> January 2023.** Also, you cannot transfer your child's funding. If you decide to move your child to another provider, you may have to pay childcare fees. Read the important information below and on the email you have been sent before you sign this form.
