## Important information: Please Read in Full

### The universal entitlement

As a parent / carer of a child aged 3 to 4 years old, you can take up to 15 hours of funded early years provision per week. This is known as your child's Funded Early Education Entitlement (FEEE).

You need to fill in this form to tell us how you wish to take up the FEEE. We will use it to show that your child is accessing their FEEE with this provider. We will also use evidence of your child's identity and date of birth. This is because the provider will be claiming funding from Essex County Council.

### The extended entitlement for working parents

You may get an extra 15 hours of childcare per week if you are an eligible working parent. This would be over 38 weeks during term time. Providers may choose how flexibly they offer this entitlement. But provider(s) may claim a maximum of 165 hours for the Spring Term 2023. Please complete the details on the form if you are claiming the extended entitlement.

Please note, all new claims for Extended Funding must be approved or reconfirmed by HMRC on or before the 31/12/2022 to receive the extended funding hours for the Spring Term 2022/23. ECC is unable to override this deadline date.

### Early Years Pupil Premium

Three and four-year-old children who get the FEEE might be able to get the Early Years Pupil Premium (EYPP). The EYPP gives providers extra money. They can use it to support children's learning and development. If you are on benefits and think you may be eligible (see below), please fill in the Early Years Pupil Premium details section on this form.

Eligibility criteria: Income Support, income-based Jobseeker's Allowance, income-related Employment and Support Allowance, support under part VI of the Immigration and Asylum Act 1999, the guaranteed element of State Pension Credit, Child Tax Credit (provided they're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190), Working Tax Credit run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit, Universal Credit

**There is further information on FEEE funding which has been emailed to you by Pam – please read this before completing this form.**
